The Complete FireMitt Line

PRODUCT DESCRIPTION

WHY CHOOSE FIREMITT?

- **Unparalleled Heat Resistance:** With our cutting-edge oven mitt tested and approved up to 600F, you can handle scorching hot pans, sizzling dishes, and blazing ovens with confidence.
- **Superior Durability:** Crafted from the finest materials, including Kevlar-equivalent stitching for a reliably durable glove.
- **Comfortable Fit:** Designed for maximum comfort and flexibility, our gauntlet-style mitt in 6", 14", and 17" lengths allows you to move seamlessly, ensuring that your culinary creations are always on point.
- **Stylish Design:** Who says safety can't be stylish? Our oven mitt is a fiery red gauntlet design, making it the perfect accessory for any chef or kitchen staff.
- **Easy to Clean:** Cleaning up is a breeze! Simply wipe away grease and residue from the silicone body with soap and a soft sponge. No fuss, no hassle.
- **Trusted by Professionals:** Our mitt is the go-to choice for chefs and commercial kitchens

worldwide.

- Bulk Discounts Available: Need mitts for your entire kitchen team? We offer unbeatable bulk discounts, ensuring you can outfit your crew with the best protection at an affordable price. Contact info@essentialware.com to learn more.
