PRODUCT DESCRIPTION

HIGH-HEAT RESISTANT OVEN MITT | 14"

Protect your hands from hot pots and pans with this 14" black neoprene grip puppet style oven mitt.

Made with a 100% cotton body and textured silicone palm, this oven mitt is made to provide the ultimate protection from extreme temperatures up to 500 degrees Fahrenheit. The neoprene material allows for better gripping, extra protection, and easy cleaning. Its industrial grade strength is perfect for a busy commercial kitchen with cooks handling multiple pots, pans, and other items going in and out of the oven.

This puppet style mitt is perfect for pulling hot pans out of the oven. It also includes a convenient hanging loop that allows you to store this mitt nearby. If there isn't a hook handy, you can also use the mitt's interior magnet to attach it to surfaces. Don't miss out on this easily overlooked item that can vastly improve your cooks' culinary performance!

Burn-thru-proof mitt safe up to 500° F. Sure Grip textured silicone palm. This 14" Oven Mitt is shipped 1 in quantity.
