## PRODUCT DESCRIPTION

### PTFE NON-STICK BBQ GRILL AND SMOKER MESH TOPPERS | 14" X 16" & 12" X 12" | 2 PACK

Essentialware PTFE Non-stick mesh is made to meet or exceed the performance of competitive premium mesh. This product is produced using fiberglass mesh, coated with a high quality FDA-approved PTFE flouropolymer that ensures long lasting non-stick performance.

Allows for even cooking but also reduces the amount of food that falls through your grill grates with the 4.4 mm mesh spacing which keeps the smallest pieces of food on the mesh and not in the bottom of your grill.

Reuseable hundreds of times! To maximize the life of this mesh, clean after each use with soapy water and a dish brush.

This mesh topper is shipped as a 2 Pack - (1) 12"x12" and (1) 14"x16".

#### BBQ GRILL AND SMOKER MESH TOPPERS USES:

- Dehydration Racks, including Smoking Ovens or Pasta Drying
- Infrared Grills, Smokers, and Kamado cookers such as Green Egg, Traeger, Weber, Z Grills.  
Similar to Frog Mat, BBQ grill mat
- Oven mesh for Commercial or Home use

#### BBQ GRILL AND SMOKER MESH TOPPERS DETAILS:

- Non-stick PTFE-coated mesh, made with 4.4 mm wide spacing.
- FDA approved food safe.
