PRODUCT DESCRIPTION

PTFE NON-STICK BBQ GRILL AND SMOKER POCKET WITH SNAPS | 11.5" X 13"

Essentialware PTFE Mesh Pocket with Snaps is made to meet or exceed the performance of competitive premium mesh. This product is produced using fiberglass mesh coated with a high quality FDA approved PTFE flouropolymer that insures long lasting non-stick performance. Great for BBQ Grills/Smokers and also kamado style cookers. Allows for even cooking but also reduces the amount of food that falls through your grill grates with the 4.4 mm mesh spacing which keeps the smallest pieces of food in the mesh pocket and not in the bottom of your grill. To maximize the life of this mesh clean after each use with soapy water and a dish brush. Reuseable hundreds of times and you'll ask yourself why you didn't try this sooner!
