Categories: [Dairy Queen](#), [Franchisee](#)

PRODUCT DESCRIPTION

PTFE NON-STICK BROWN ROLL | 24" X 36 YARDS | 5 MIL

Essentialware's PTFE brown roll 5 mil. This is the full roll, measuring 24 inches by 36 yards. Polytetrafluoroethylene (PTFE) films and rolls withstand chemicals and solvents better than most plastics. PTFE films and rolls are stable at high temperatures and are non-conducting, so they're ideal for electrical insulation in circuit boards and for fabricating the electrostatic analogues of magnets. They are also nontoxic and suitable for food contact.

PTFE NON-STICK BROWN ROLL FEATURES & BENEFITS:

- FDA food safe
- Commercial kitchen/oven applications
- Industrial/Chemical applications
- High temperature/ high-heat applications
