PRODUCT DESCRIPTION

PTFE NON-STICK GRILL AND SMOKER MESH | 12" X 12"

PTFE non-stick grill toppers not only provide convenience and ease of clean-up, the open mesh design permits an even distribution of heat allowing food items to cook evenly and completely. One Essentialware PTFE basket will provide **months of non-stick performance**.

- Easy to rotate food
- Ensures you won't have to worry about losing food through your grates.
- PTFE Mesh can be used for Grilling, Smoking, Drying, Dehydrating, Home Oven use, and many commercial food service applications.
- Great for Infrared Grills, Smokers, and Kamado cookers such as Green Egg, Traeger, and Weber Z Grills.

PTFE Baskets and Mesh products are made from FDA-approved PTFE material and are food safe. These products are designed for use on **pellet grills** and **smokers**. Do not allow mesh surface to come into direct contact with flame or radiant oven coils.

This PTFE mesh flat screen grill topper with wide weave is 12" x 12", shipped 1 in a pack.

We recommend using an oven paddle for insertion and removal of basket to extend product life. Do not use metal tongs.
