PRODUCT DESCRIPTION

**PTFE NON-STICK RELEASE SHEETS WITH BRACKET LOOP | TAYLOR L800 SERIES
CLAMSHELL GRILL | 9 SHEETS**

Tough, reliable PTFE non-stick release sheet for your Taylor clamshell grill. The Triple-coated fluoropolymer process insures long lasting non-stick performance - up to 30% longer than most release sheet products. Taylor clamshell grill sheets are used by many fast food (QSR) chains including Wendys and many other popular restaurants.

Non-stick release sheets are important to the operation of your Taylor clamshell grill and the smooth flow of your kitchen operation. Triple-Coated non-stick fluoropolymer coating insures a release sheet that keeps your clamshell grill producing a perfect product longer than other non-stick sheets. Keep your grill line running longer and smarter with Essentialware non-stick release sheets.

PTFE NON-STICK RELEASE SHEETS WITH BRACKET LOOP FEATURES & BENEFITS:

- PTFE Release Sheet - Black and Silver
- 31.5" x 21" looped for mounting bracket
 - Package of 9 release sheets
